Athletic Participation Registration for Parents & Students

How-To Document

Before students may participate in any KSHSAA-sponsored activity (including try-outs and practices), parents and students must both complete the Athletic Participation Registration process. Students must also have a physical completed by a licensed physician.

Things to Know Before Starting

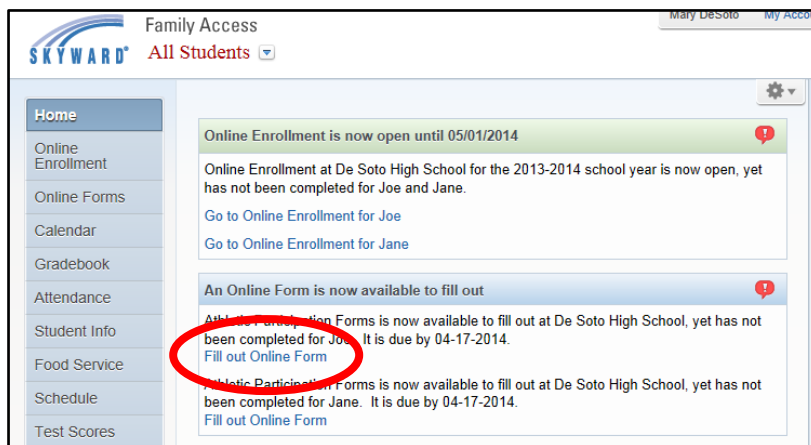

- Either guardian in Family 1 (as designated in Skyward) may complete the Athletic Participation Registration.
- Students will complete the process using their own Family/Student Access account.
- Parents – If you don't know the login information for your Family Access account, click the '**Forgot your login or password?**' link on the Family/Student Access login page. Enter your email address and click **Submit**. If the school has a matching email address on file, an email will be sent to that address with information on how to log in. If the school does not have your email address on file, call the school office for assistance.
- Students – Log into Family/Student Access using your district login name and password.
- Each step must be completed and checked-off before the entire process can be finalized.
- Set the internet browser to allow pop-ups.

Acrobat Reader must be installed on your computer in order to open the PDF documents. This is a free download available at <http://get.adobe.com/reader>.

Getting Started

- Log into your Family/Student Access account.
- Click the **Fill Out Online Form** link under the Online Forms section. Parents - If you have more than one child in the district, complete the process for each child who might participate in the athletic program.

Step 1 – Authorization and Acknowledgements – For both parents and students

Click **1. Authorization and Acknowledgements**, then click the **Documents to Read** link, which connects to documents regarding athletic participation for the upcoming school year. Please read all documents now before going on to the next step, as you will be asked to confirm that you acknowledge and understand the information presented on these documents.

Click button “Complete Step ** and move to Step **” after completing each task and filling out a form. After you have completed a step, you can go back to the step and click the “Edit Step...” button to make changes.

By entering your name on this form, you are asserting that you have reviewed and agree to the information contained in the three documents presented on this screen.

Students – go to directions for Step 4 – you are ready to complete the process.

Parents – go to Step 2.

Step 2 – Emergency Medical Authorization Form – Only available for parents
