

What's New in 5th Grade?

August 26, 2018

ELA

We have been hard at work learning routines for our ELA block. Our classes have worked on pre-assessments to understand where our strengths and stretches are. We will begin Unit 1 focusing on Main Idea and Key Details.

Greek/Latin root quizzes will be given weekly. This week's root is "PED". Quizzes will be given on Fridays on weeks that are four days or longer.

Math

We are up and running with our math curriculum! Place value is our first topic. The topic test will be given the week of August 27. Following Topic One, we will be starting Topic Two covering "Adding & Subtracting Decimals."

Social Studies

Our first unit of study focuses on Native Americans throughout our country. This unit will end with a student project focusing on one particular region. Look for more details to come home soon! The website will also have all of the documents available for reference.

Website: Did you know our Fifth grade team has a website? The link is attached. This will be where you can find key information about what is happening in Fifth Grade.
