

# 7<sup>th</sup> Grade Math Class

2022

Mrs. Landon

2023

## Contact Info

Monday 11:56-12:45  
Friday 11:56-12:45  
M-F 7:55-8:46

Email:

[clandon@usd232.org](mailto:clandon@usd232.org)

Phone 913-422-1100  
ext. 2442

## CLASSROOM MATERIALS

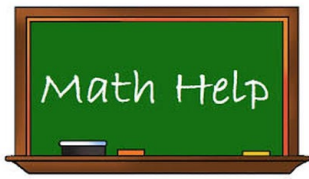

Math Textbook  
Pencils/Grading Pens  
Expos  
Homework  
Earbuds and Charged MacBook  
Positive Attitude  
Willingness to Learn

## Concepts we will learn:

- Ratio and Proportional Reasoning
- Expressions and Equations
- The Real Number System (fractions, decimals and integers)
- Statistics and Probability
- Geometry

Math is a subject that requires **practice**. Therefore, homework will be given nearly every day. In most cases, you will be given time to start and sometimes finish the assignment in class or ELT. If you have not completed your homework on time, you will need to stay after school to complete it. Late work will not be eligible for full credit. All assignments must be completed before the end of the unit or will result in a zero. Students may redo any assignment they received an F on, but it must be completed before the chapter test. KSS (Keeping Skills Sharp) is given on Mondays and due on Fridays. Students have a chance to turn it in earlier as many times in the week to be graded and handed back for another chance to complete.

Most of you will come across a topic that require more explanation. When this happens, see me for extra help. You may come in before school with your 7:35 pass, ELT time, and after school. The TSP (Timberwolf Success Program) is available on Tuesdays and Wednesdays from 3:00-4:30. I want you all to be successful, so you must take responsibility for your own learning. I expect **students** to advocate for themselves and for their grade. When your math teacher is absent, please see the other 7<sup>th</sup> grade math teacher, Mrs. Ayers for assistance.

## Re-Take Policy

Students may retake a test that they earned an F. To qualify for a retake, a student cannot have any missing math assignments for that unit, must have finished the study guide, and complete corrections on the problems missed.

*Students must show all work all the time.*

*Phones will not be used in class and will remain in student's backpacks.*

## OOPS COUPON

Each student will be given 1 oops coupon per quarter that can be used on any assignment. It gives you one more day to complete your assignment.

# 7<sup>th</sup> Grade Compact Math Class

2022

Mrs. Landon

Math is a subject that requires **practice**. Therefore, homework will be given nearly every day. In most cases, you will be given time to start and sometimes finish the assignment in class or seminar. If you have not completed your homework on time, you will need to stay after school to complete it. Late work will not be eligible for full credit. All assignments must be completed before the end of the unit or will result in a zero. If you are absent, you have two days for every one day you are absent. Both absent and late assignments should be placed in the late/absent basket. Students may redo any assignment they received an F on, but it must be completed before the chapter test. assignment.

Most of you will come across a topic that require more explanation. When this happens, see me for extra help. You may come in before school with your 7:35 pass, , ELT time, and after school. The TSP (Timberwolf Success Program) is available on Tuesdays and Wednesdays from 3:00-4:30. I want you all to be successful, so you must take responsibility for your own learning. I expect **students** to advocate for themselves and for their grade. When your math teacher is absent, please see the other math teacher, Mrs. Ayers for assistance.

## Re-Take Policy

Students may retake a test that they earned an F. To qualify for a retake, a student cannot have any missing math assignments for that unit, must have finished the study guide, and complete corrections on the problems missed.

*Students must show all work all the time.*

**Students must maintain a B average or above to stay in compact math.** This is a faster paced class since we are going through all of 7<sup>th</sup> grade curriculum and half of 8<sup>th</sup> grade curriculum. Asking for help early and staying on top of your assignments is crucial.

## OOPS COUPON

Each student will be given 1 oops coupon per quarter that can be used on any assignment. It gives you one more day to complete your assignment.
