

Graduation Venues and Tickets 2019-2020

October 31, 2019

Parents & Seniors,

Graduation will approach quickly and we want to make it a special event. I write to share a few items regarding the venue.

In August, our seniors voted to have graduation (May 16, 2020 @ 9:00am) take place outdoors at our stadium. Although the stadium bleachers are suited for a finite number of people, the venue does allow for many guests. In fact, we do not take tickets for the outdoor ceremony.

If the weather is such that **graduation is moved indoors**, only those individuals with tickets will be admitted into the main gymnasium (exceptions cannot be made). Ticket holders include all parents, siblings, family members, and friends regardless of age. Please know we must adhere to the ticket system in the gym for the safety of all family, staff and students. Like last year, the number of tickets issued to each student for this graduation is **six (6)**. The inclement weather tickets will be distributed as per the Senior Timeline (recently mailed) and MVHS will not collect any unused tickets. The tickets will be in a sealed envelope. If the tickets are lost, students cannot receive new. The decision to move indoors (if needed) is usually decided the day before graduation.

To further assist families, the ceremony will be live-streamed to supervised locations inside MVHS **and** outside of the building as well, allowing many more family and friends to watch.

Graduation, regardless of the venue, will be a special memory for our students and their families. Thank you for your time and understanding.
