

Partner with CTEC CAPS

The Cedar Trails Exploration Center's mission is to develop and empower lifelong learners by providing opportunities for and encouraging exploration through personalized and innovative learning paths.

CTEC CAPS is building our future workforce. Your sponsorship and investment will help to provide ongoing professional experiences, up-to-date equipment, and technology for our students and programs. Put your organization in the spotlight while supporting programming and new initiatives for our students! Providing financial resources allows your organization to support activities/equipment that benefit CTEC CAPS students. Your organization will make an impact, and as a result, will enjoy an increased level of visibility and branding on campus. Your donation supports our community.

Contact Dr. Cindy Swartz cswartz@usd232.org for more information or to become a CTEC CAPS Sponsor/Donor today!
