

Safety and Security Update

Board of Education
December 5, 2022

Mission-Values-VISION

Safety Vision Statement

District safety is categorized into three areas defining our intention and guiding our direction.

Communication

Timely, thorough, and effective communication guide our prevention efforts, and clarity of responsibilities during an event.

Secure Facilities

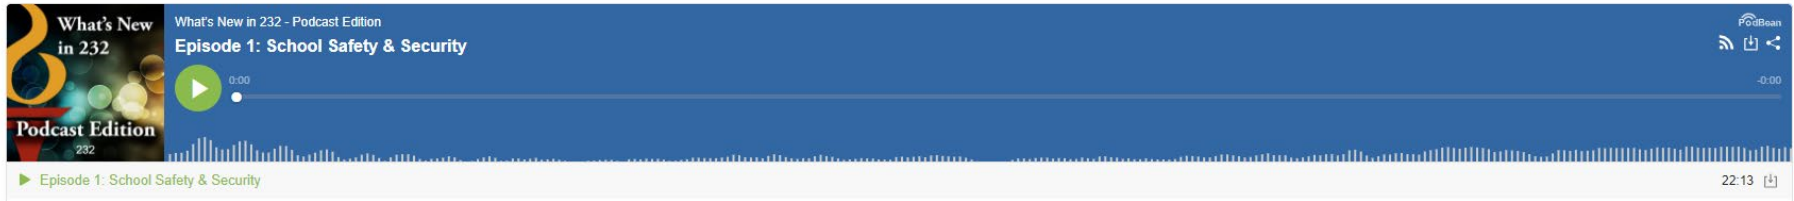

Access control, visitor management, and sound surveillance techniques help support a safe learning environment.

Response to Crisis

Planning and practice help ensure proper performance when the need for action is evident.

Communication

➤ Podcast

➤ Law Enforcement Collaboration

Secure Facilities

- Exterior Security Audit
 - ✓ 17 Buildings, October 2022
- Access Control Systems
 - ✓ Primary entrances at schools
 - ✓ Two controlled access points

Response to Crisis

- Internet Protocol (IP) Clocks
 - ✓ 750 devices / IP speakers
 - ✓ Demonstration – Highest Level Alert
- LOCKDOWN**
- Crisis Management - Flipcharts

Need for Continuous Improvement

- Staff Awareness & Training
- Risk Management
 - Awareness of something followed by Action
 - Did you know? Should you have known? What did you do?

Questions
