Welcome! We are excited that you will be joining the Jaguar Family!

Some important information to note:

- **May 10th** is the first day you may contact the Counseling Office to schedule your enrollment appointment for the 2021-22 school year.
 - Appointments will begin to take place June 1-June 4 and will resume July 28.
- You will need to provide the following documentation at that meeting:
 - Birth Certificate
 - Proof of Residency (Utility bill)
 - Immunization Records
- You can return your Course Request Form prior to your appointment or bring it with you at that time.
- Any data you may have from your current school that would assist in determining math placement is welcome (transcript, test scores, etc.).
- Honors enrollment information will be available at the time of your appointment. Summer assignments are still being determined, and all students will have the opportunity to complete the requirements for enrollment in the fall. Summer assignments will be available on the Counseling Website at the end of the school year.
