

Dodge Ball Registration Packet

Attention LTMS Students!

Remember that registration is on a first come, first serve basis. Packets must be turned in to the office by February 10th, however you are encouraged to turn them in early. We are only accepting the first 15 teams. To complete registration for your team, this packet must be turned into the office with the following:

1. Completed team registration form with 6-8 players and a parent sponsor (name, email, signature). Please note: your team may not compete the night of the tournament without a parent sponsor present.
2. Completed waiver form for EVERY player on your team
3. Envelope with \$10 per player included (cash or checks made to LTMS PAWS)

Once your registration is complete, your team sponsor will receive an email with more information and the official Dodge Ball Rules for our tournament.

If you have questions please contact Erin Krehbiel erin@krehbiel.org
