Camp Philosophy:

The fundamental purpose of our summer camp is to offer students the opportunity to grow through the game of basketball. The coaching staff will focus on the basic aspects of the game such as dribbling, passing, shooting form, and defensive techniques. We feel that it is essential that in order to better themselves as basketball players they must continuously work on the basics of the game. This camp gives the athlete just that, time to work on their game and have fun doing it!
