

Horizon Elementary Special Consideration Form

Students at Horizon Elementary School will be placed in their classrooms for the 2021-22 school year after the needs of each individual child, as well as the group composite, are considered. A balance of the number of boys and girls in each class and the academic and social/emotional needs will be taken into consideration as much as possible throughout the classrooms. Parents may complete this "Special Consideration Form" if they wish to notify administration of their child(s) particular needs prior to the final class assignments being completed.

This form is not designed for requesting a specific teacher.

Please return this form to the school on or before May 1st.
Forms returned after this date will not be considered.
