Spectator Guidelines

Due to COVID-19, there are some differences in our procedures and protocols for spectators. As we prepare for this season, it is important that we work together to follow all of the safety and mitigation procedures so we can continue to offer activities and athletics for our students.

Below are the mitigation strategies that impact you as a spectator for events that we host at MCMS. *Competitions that are hosted by other schools may use different/additional mitigation strategies that we will be expected to follow.*

- Spectators will **NOT** need a ticket to enter the game; however, admission fees will still be required. Adults: \$3.00 School Age Students: \$1.00
- We will **NOT** have a student section. All students will be sent home after school. Students must return with their parents and sit with their family cohort. All passes will be suspended until spectator restrictions are lifted. This includes all USD232 Staff Badges/Passes and Senior Citizens.
- For indoor events, **spectators will be required to wear masks** at all times per the KS Executive Order.
- For outdoor events, masks will be required upon entry and need to be worn when moving about the facility. Masks can be lowered while social distancing is in place.
- Temperature checks are required for indoor events per the KS Executive Order. Temperature checks are not required for outdoor events.
- Spectators are expected to sit as family cohorts, in groups of no more than two (2) per designated spot and be socially distanced from other groups. Spectators **MUST** arrive together.
- Personal lawn chairs are welcome at football games to provide extra seating due to limited bleacher space. Chairs may be placed in the grass on the outside of the track, **as far away from the field as possible.**
- The maximum home spectator capacity for Football and Volleyball has been set at 200. There are 100 red lines on the bleachers and each red line can accommodate two family members from the same household. Each athlete will be allowed **two** spectators, and they must be from the same family cohort.
- Teams should arrive ready to play. Locker rooms will not be available for visiting teams.
- Concessions will be available. Cash only please.

Please Note:

- All spectator guidelines are subject to change based on local conditions.
- Mill Creek Middle School reserves the right to remove anyone not willing to follow these guidelines.
- As our teams travel, our opponents may have specific COVID-19 guidelines that could affect our fans who intend to travel.

Thank you in advance for your cooperation.
