Feb/March 2022

NEWS

Wow! The school year has just blown by! As we head into Spring the HE PTA wanted to let the HE families know that we will have board openings in the 2022-23 year.

Open positions include: President, Vice President and a few new positions being created.

We also would like to have a few committees to help our Staff Appreciation and Events chairs next year. These committee members will not need to have active responsibilities for every PTA sponsored event, but rather, be a group willing to help with tasks related to these board positions.

If you are interested in any board or committee position please contact us at hetigerspta@gmail.com
