

Guidelines for MTMS Track & Field

2022

Any student who has not participated in a sport, or completed athletic paperwork, for the 2021-22 school year must turn in a completed KSHSAA Physical (dated after May 1, 2021) and a Parent Consent form. These forms are available on the MTMS Website, under Athletics/Activities. Athletes and their parents must also complete online forms (Concussion Form, Acknowledgement of Risk, and Student-Athlete Code of Conduct) through Skyward. The student and parent must access their own Skyward account to complete these forms. While in Skyward, parents will need to also update and complete the Emergency Contact information. All Athletes must pay Catastrophic Insurance and Activity Participation Fees. Please contact the office if you have any questions about the required paperwork or fees. Students are not allowed to practice until paperwork and fees are completed and turned into the office.

1. Practice begins on Tuesday, March 22nd There will not be practice during spring break. Practice ends at 4:30. Athletes should be picked up from practice no later than 4:45pm at the north doors of MTMS.
2. Attitude and effort will determine the success of your season. Your coaches and teammates expect you to give your best effort in practice and in meets.
3. Attendance. Unexcused absences may cause you to be removed from the team. Please communicate absences in advance via email to Coach Ferrell.
4. Come prepared for cold weather. Practices are often held outdoors in less than ideal weather conditions. (Sweats, gloves, hat)
