

## Outdoor Sports Rentals COVID-19 Protocol

In response to the COVID-19 pandemic, USD232 is committed to taking the necessary precautions to help maintain the safety of our student-athlete population, coaching staffs, support personnel, and visitors. Following guidance from the CDC, KDHE, KSHSAA, county and city governing bodies, USD 232 implemented the following safeguards:

- If student or coach has been exposed or under a 14-day quarantine, the student/coach must have medical clearance prior to returning to practice or games.
- Attendance of athletes and coaches should be recorded for each event/practice.
- Student-athletes should provide their own water bottles.
- Student athletes as well as Coaching/support staff will wear face coverings appropriately and at all times.
- Adult athletes will wear face coverings at all times except when actively participating in competition.
- Once the practice or game is over, students will be required to immediately leave and not congregate.
- Players and team personnel on the team bench will practice social distancing and wear masks at all times.
- Plan practices to maintain social distancing guidelines whenever possible.
- Consider having workouts in “pods” of the same students using the same balls.
- Players should wash hands or use hand sanitizer before and after practices
